02 DATA PROTECTION PRINCIPLES

02.1 The CIC is committed to processing data in accordance with its responsibilities under the GDPR.

02.2 Article 5 of the GDPR requires that personal data shall be:

- A** Processed lawfully, fairly and in a transparent manner in relation to individuals.
- B** Collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered to be incompatible with the initial purposes.
- C** Adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed.
- D** Accurate and, where necessary, kept up to date; every reasonable step must be taken to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified without delay.
- E** Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes subject to implementation of the appropriate technical and organisational measures required by the GDPR in order to safeguard the rights and freedoms of individuals.

03 GENERAL PROVISIONS

03.1 This policy applies to all personal data processed by the CIC.

03.2 The Responsible Person shall take responsibility for the CIC's ongoing compliance with this policy.

03.3 This policy shall be reviewed at least annually.

03.4 The CIC shall register with the Information Commissioner's Office as an organisation that processes personal data.

04 **LAWFUL, FAIR AND TRANSPARENT PROCESSING**

- 04.1** To ensure its processing of data is lawful, fair and transparent, the CIC shall maintain a Register of Systems.
- 04.2** The Register of Systems shall be reviewed at least annually.
- 04.3** Individuals have the right to access their personal data and any such requests made to the CIC shall be dealt with in a timely manner.

05 **LAWFUL PURPOSES**

- 05.1** All data processed by the CIC must be done on one of the following lawful bases: consent, contract, legal obligation, vital interests, public task or legitimate interests (see ICO guidance for more information).
- 05.2** The CIC shall note the appropriate lawful basis in the Register of Systems.
- 05.3** Where consent is relied upon as a lawful basis for processing data, evidence of opt-in consent shall be kept with the personal data.
- 05.4** Where communications are sent to individuals based on their consent, the option for the individual to revoke their consent should be clearly available and systems should be in place to ensure such revocation is reflected accurately in the CIC's systems.

06 **DATA MINIMISATION**

- 06.1** The CIC shall ensure that personal data are adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed.

07 **ACCURACY**

08 **ARCHIVING/ REMOVAL/ DATA RETENTION**

- 08.1** To ensure that personal data is kept for no longer than necessary, the CIC shall put in place an archiving policy for each area in which personal data is processed and review this process annually.
- 08.2** The archiving policy shall consider what data should/must be retained, for how long, and why.
- 08.3** Personal data shall not be retained for longer than:
 - A** In the case of data held by subject consent:
The period for which the subject consented to FREEDOM FOUNDATION holding their data.
 - B** In the case of data held by legitimate interest of FREEDOM FOUNDATION:
The period for which that legitimate interest applies. For example: in the case of data subjects who held a role, such as a volunteer, with FREEDOM FOUNDATION the retention period is that for which FREEDOM FOUNDATION reasonably has a legitimate interest in being able to identify that individual's role in the event of any retrospective query about it.
 - C** In the case of data held by legal obligation:
The period for which FREEDOM FOUNDATION is legally obliged to retain those data.

- 08.4** FREEDOM FOUNDATION shall regularly - not less than every 12 months - review the personal data which it holds and remove any data where retention is no longer justified. Such removal shall be made as soon as is reasonably practical, and in any case no longer than 30 working days (of the relevant Data Processor) after retention of the data was identified as no longer justified.

09 SECURITY

- 09.1** The CIC shall ensure that personal data is stored securely using modern software that is kept up to date.
- 09.2** Access to personal data shall be limited to personnel who need access and appropriate security should be in place to avoid unauthorised sharing of information.
- 09.3** When personal data is deleted, this should be done safely such that the data is irrecoverable.
- 09.4** Appropriate back-up and disaster recovery solutions shall be in place.

10 BREACH
